Administrative Order
No. 2013- 01

Pursuant to Administrative Order 96-32 issued by former Arizona Supreme Court Chief Justice Stanley G. Feldman, Presiding Judges of Superior Court in each Arizona county were granted authority to establish and administer court security policies and procedures and to regulate the possession of weapons in the areas controlled by the court in their respective counties.

Subsequently, local Administrative Order 2004-05 issued by former Superior Court Presiding Judge Tom C. Cole adopted the Standard Operating Guidelines of Superior Court in Yuma County including a policy that defines and describes prohibited items in the chapter entitled "Unauthorized Items." This chapter also includes a description of lockboxes that are available in the courthouse (now referred to as the Justice Center) for safely storing weapons possessed by everyone, including certified peace officers who are present in the courthouse for personal business.

Thereafter Administrative Order 2005-32 issued by former Chief Justice Charles E. Jones on May 16, 2005, replaced Administrative Order 96-32 and confirmed the authority of Presiding Judges of each county to establish court security policies and procedures to provide a safe work environment for judicial employees, litigants and users of the court.

IT IS THEREFORE ORDERED that local Administrative Order 2004-05 dated January 28, 2004 is affirmed and remains in full force and effect.
